2013-2014 State Referee Test

All Group and Link results combined

[Change](#)

Percentage	Attempts
A Red player temporarily off the field to correct equipment suddenly re-enters the field without permission and violently tackles a Blue attacker who is about to take a shot from two yards inside the Red team's goal area. After stopping the game, you send off and show the red card to the Red player. The correct restart is a penalty kick for the Blue team.	80%
Dissent is cautionable only if directed at the referee.	89%
Once you have announced how much additional time will be played due to time lost as a result of excessive delays, this amount	100%
